

Austrey Archery Group

established 2010

We meet on Saturday mornings from 09.30 -12.30 pm and on Wednesday evenings from mid May – mid September at Shuttington Field. From November – March we shoot indoors at Shuttington Village Hall from 09.00-12.00.

How do I start?

This is one of the most common questions that we are asked when people contact us. Before you are able to join Austrey Archery Group, you must be able to shoot safely. GNAS rules that newcomers to the sport undergo a beginners course. We hold beginners courses (£55) as and when required to suit the Trainer and individual. As soon as you have completed your course you can be a fully fledged member of AAG. We also offer an Introduction to Archery. This is for 2 hours and costs £10. This is taken prior to the training course and will give you a better understanding of our sport. Please email austreyarcherygroup@hotmail.co.uk to book your place.

I don't have my own equipment, can I still join?

Yes you can, AAG can provide equipment for all its members. If you wish to buy some new equipment, then please talk to our club members to advise you on the best equipment to buy.

How much does it cost?

Archery GB Senior £53, Affiliations £14, AAG £25 = £92

Archery GB Junior (U25) £13, Affiliations £4, AAG £15 = £32

Archery GB Senior Disabled £13, Affiliations £12, AAG £25 = £50

Weekly shoot Fees: Adult £4, Children £2

Can I leave my son or daughter with a member of the group instead of staying?

No, all children must be accompanied with an adult at all times.

Do you do competitions?

Yes. 252, distance, frostbite and darts during the winter months.
