

Section 3 - External Auditor Report and Certificate 2022/23

In respect of

Austrey Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1 of the AGAR was completed as approved on 10/05/2023 with a minute reference of section 1.8. Section 2 of the AGAR was dated as approved on the same day and also had a minute reference of section 1.8. On investigation (due to the minute references being the same), a copy of the minutes were found on the Parish Council's website that clearly show Sections 1 was approved under minute reference 1.7 and that Section 2 was approved under minute reference 1.8 which is in the correct order of approval.

However, the minute reference entered on Section 1 of the AGAR is incorrect. We would expect this to be considered in the council's response to Assertion 3 on the 2023-24 return.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Internal Auditor ticked 'Yes' to box K on the Annual Internal Audit Report which relates to whether a Council correctly certified itself exempt in the prior year. We expected this assertion to be answered 'Not covered' as last year the Council did not claim exemption from review and submitted an AGAR 3 for review.

Additional variance information needed to be requested. The parish council should in future ensure that all the necessary supporting information is provided with their initial annual submission.

3 External auditor certificate 2022/23
